INFORMATION

SOUTH COURSE — This traditional 18-hole championship golf course is elegantly designed to accommodate all levels of playing abilities to ensure an enjoyable yet challenging round is experienced. The expertly manicured course captures the natural surroundings and seamlessly incorporates the desert scape surroundings. Shadow Hills is laid out in harmony with the natural hues of the vast desert, creating an explosion of color that takes your breath away.

Shadow Hills Golf Club is enrolled in Audubon International's Cooperative Sanctuary Program for Golf Courses to ensure protection of the local environment, conserve natural resources and protect wildlife habitats.

NORTH COURSE — Turfed with Hybrid Bermuda grass and dotted with flowering shrubs, the 18-hole par-3 course is perfect for golfers to sharpen their iron games. With holes ranging from 135 to 210 yards, precision is paramount. Approximately 40 percent of the course is turf and showcases several water features, fairway undulations and a variety of tee boxes to challenge seasoned golfers and delight beginners.

Designed by the award-winning Schmidt-Curley golf-course architecture firm, the North Course is constructed to take advantage of natural plant materials which consume less water and promote ecologically-friendly agronomic practices. The North Course is visually stunning and enjoyable," says Grant Haserot, Lead Designer at Schmidt-Curley Design. "We created a unique look and feel to the Coachella Valley by incorporating natural desert areas into the design rather than a wall to wall carpet of unblemished turf."
